Dear Suzanne,

We are writing to let you know that your nominee, Jason Emrick, has won the CLA Outstanding Student Award.

Can you please let him know?

Also, will you be able to attend the reception on Saturday December 3? For this year, the presenter's remarks are sent ahead of time. The presenters' remarks are due to Philip Fuehrer and Kristine Yang by end of business on 11/9/22 and should be up to a couple of minutes providing the highlights of the student and their nomination.

Sincerely,

CLA OSA Committee
