The Robert L. Carothers Distinguished Writers Award was created in June 1991, to acknowledge Chancellor Carothers' outstanding contribution to the Minnesota State University System and to higher education in Minnesota by providing a way to highlight the work of student writers at the Minnesota state universities. This endowment provides one student at each of the state universities with a \$500 award in June of each year.

This is a wonderful and long-standing program and I hope you'll apply!
