

## Writers as Readers

Fall, 2022

Tuesdays from 1:00 to 4:20 p.m.

August 23 – November 29

Mostly On Zoom (required attendance)

(Two face-to-face required courses are weeks 1 and 15)

**Course Description:** This workshop course emphasizes the union of reading and creative writing. Good creative writers need to understand literature from the writer's perspective. They also need a comprehensive background in the various genres of literature and must be able to discuss, critique and identify the basic components of imaginative writing. This course focuses on tone, style, diction, and author's voice through the students' own writing and through the readings of others.
