

A CROW'S DEMISE BY SUZANNE NIELSEN

Jul 9, 2024 | [Poetry](#)

More and more things seem off kilter. For instance, yesterday
I watched a crow cannibalize another, an unusual characteristic
even for birds carrying a grudge, but to watch a crow behead
another
made me realize more is amiss than I thought.

*Suzanne Nielsen spends much of her time composing by the river in
Minnesota.*
