

## Stay Day

The Office of Student Life & Leadership Development is offering a fall “Stay Day” Leadership Retreat – on **Saturday, October 19 with sessions from 9:00 am to 3:00pm** and this is a call for presenters! The event will be hybrid with, our hope, most students attending in the Student Center on the St. Paul Campus and an option for others to attend remotely via Zoom for some sessions. We can also accommodate remote presentations!

We are looking at an overall theme based on the idea of “New Leadership Intelligence” – as we come out of the pandemic there have changes in behaviors (remote working, social aspects, etc), more of an “online life”, a surge of Artificial Intelligence and more that can call for new leadership intelligence, but any leadership topic will do as we have a lot of flexibility. And, while we’re looking for most sessions to be in the 45 to 55 minute time frame but If you have something a little longer or shorter we may well be able to make that work, just let us know and we can discuss.

While we are unable to pay anything this is a great opportunity to try out a new presentation, dust off on an old one, give presenting a workshop a try or have an addition for a tenure packet. If you are interested **please let me know by October 2**. At this stage we just want to see what we have overall to finish the overall agenda and to move from the “save the date” promotions to more specific marketing.

If you’re interested just let me know! If you have a topic already fleshed out then also include the following information:

- Name and title of presenter(s)
- Title of presentation (a working title is acceptable)
- Brief summary of presentation
- Notice of any sort of limitations (can only present online, need to be done by 1pm, etc.)
